

Institute for Advanced Composites
Manufacturing Innovation
Speaker Profiles

Douglas Adams
Vanderbilt University
*Daniel F. Flowers Professor of Engineering
and Chair of Civil and Environmental
Engineering*

David Andrea
Center for Automotive
Research
Executive Vice President of Research

Craig Blue
Institute for Advanced Composite
Manufacturing and Innovation
Chief Executive Officer

Derek Berry
Institute for Advanced Composite
Manufacturing and Innovation
Wind Turbines Technology Area Director

Ray Boeman
Institute for Advanced Composite
Manufacturing and Innovation
Vehicle Technology Area Associate Director

Dale Brosius
Institute for Advanced Composite
Manufacturing and Innovation
Chief Commercialization Officer

Lawrence E. Brown
Lightweight Innovations for Tomorrow
ALMMII Executive Director

Dan Coughlin
American Composite Manufacturers
Association
*Composites Market Development Vice
President*

Congresswoman Debbie Dingle
Michigan's 12th District

Lawrence T. Drzal
Institute for Advanced Composite
Manufacturing and Innovation
Vehicle Technology Area Director

Mayor Michael Edward Duggan
Detroit

Cliff Eberle
Oak Ridge National Laboratories
Composite Materials and
Processing Technology Director

Taylor Eighmy
University of Tennessee
*Research and Engagement Vice
Chancellor; IACMI Board of Directors
Cochairman*

Peter J. Fritz
Eaton
Engineering Specialist

Institute for Advanced Composites
Manufacturing Innovation
Speaker Profiles

Clémentine Gallet
Coriolis
Chief Executive Officer

John Hopkins
Institute for Advanced Composite
Manufacturing and Innovation
Senior Project Controls Manager

Naveed Hussain
Boeing
Vice President of Aeromechanics Technology

Mark Johnson
Department of Energy
Advanced Manufacturing Office

Leo Kempel
Michigan State University
Dean of Engineering

Matthew Marks
American Chemistry Council Plastics
Division
Chair

Jeff McCay
Composite Applications Group
President

George Moroz
Henry Ford Museum
*Special Assistant to the President of The
Henry Ford Museum*

Felix Nguyen
Toray
Principal Research Scientist

Mike Newell
Plasan
Vice President of Commercial Operations

Robin Pate
Institute for Advanced Composite
Manufacturing and Innovation
Communications Director

R. Byron Pipes
Purdue University
John Bray Distinguished Professor

Leonard Poveromo
Composite Prototyping Center
Executive Director

Ravi Ramanathan
DowAksa
*Vice President of Business and Geographic
Development*

Institute for Advanced Composites
Manufacturing Innovation
Speaker Profiles

Tom Rogers
Oak Ridge National Laboratories
*Director, Industrial Partnerships and
Economic Development*

Renae Speck
Institute for Advanced Composite
Manufacturing and Innovation
Chief Operating Officer

Jared Stonecash
University of Dayton Research
Institute
*Group Leader, Composite
Manufacturing and Testing Group*

Governor Rick Snyder
State of Michigan

Patrick Thomas
Department of Energy
*Loans Program, United States Department
of Energy*

Uday Vaidya
Institute for Advanced Composite
Manufacturing and Innovation
Chief Technology Officer

Mark Verbrugge
General Motors
Chemical and Materials Systems Director

Kelly Visconti
United States Department of Energy
*Technology Manager, Advanced
Manufacturing Office*

Brent Yeagy
Wabash
President of Commercial Trailer Products
