

Member Meeting Summer 2016 Attendees* as of July 26, 2016

Company	Name	Title
3M	John Brady	Sr. Technical Manager
Accuride Corporation	Zachary Zebrovius	Director of Engineering, MMC Technology
Accuride Corporation	Jim McManus	National Sales Director/Lightweight Technologies
AFRL/RXMS	Fred Arnold	DMS&T Program Manager
Air Force Research Laboratory	Katie Thorp	Research Leader
American Chemistry Council Plastics Division	Gina Oliver	Sr. Director Automotive Market Team
American Chemistry Council Plastics Division	Suzanne Cole	Automotive Roadmap Implementation Consultant & Project Manager
American Chemistry Council Plastics Division	Sandra McClelland	Chairwoman - Automotive Market Team
American Composites Manufacturers Association	John Busel	VP, Composites Growth Initiative
American Composites Manufacturers Association	Daniel Coughlin	VP of Composites Market Development
American Composites Manufacturers Association	Tom Dobbins	
AnalySwift	Allan Wood	President & CEO
AnalySwift	Emily Wood	
Arkema	Dana Swan	Lead Scientist
Ashland Performance Materials	Joe Fox	Director, Emerging & External Technologies
AST - Contractor to Department of Energy	Lexie Kim	Project Analyst
Autodesk	Doug Kenik	Product Manager
BASF Corp.	James Reddy	Market Development Manager
BASF Corp.	Mohamed Bouguettaya	Strategic Marketing Manager
BASF Corp.	Elias Shakour	Technology Leader- Light weight composites
Battery Innovation Center	David Roberts	President
Baylor University	Douglas Smith	Associate Professor
Bose McKinney & Evans, LLP	Scott Tarter	Partner
C. A. Litzler Co., Inc.	Matthew Litzler	President
C. A. Litzler Co., Inc.	Brantley Bass	Composites Sales Manager
Cannon USA	Craig Woolheater	PM
Cannon USA	Martino Lamacchia	PM
Caterpillar	John Unser	Engineering Specialist
Chaowei Power Holdings	Dr. Guiping Dai	Chief Scientist
Chem-Trend L.P.	Sam Dethloff	Composites Technical Manager
Chomarat North America	Brian Laufenberg	President
Cincinnati Incorporated	Rick Neff	BAAM Sales manager
Colorado Office of Economic Development & International Trade	Katie Woslager	Advanced Industries Senior Grant Manager
Colorado School of Mines	John Dorgan	Professor
Colorado school of mines	Yasuhito Suzuki	Postdoctoral researcher

Composite Applications Group	Jeffrey McCay	President
Composite Prototyping Center	Leonard Poveromo	Executive Director
Composite Recycling Technology Center	Geoffrey Wood	Vice President Innovation
Composites International	Jay Merrell	Vice President
Purdue University	Johnathan Goodsell	Director of Validation
Composites Technologies Consulting	Daniel Allman	President
CompositesWorld	Ryan Delahanty	Publisher
Compositesworld	Scott Stephenson	Conference Director
Convergent Manufacturing Technologies US	Anoush Poursartip	Chief Strategy Officer
Covestro	Jim Lorenzo	Engineer
Dassault Systemes	Rani Richardson	Composites and Additive Manufacturing Industry Consultant
Dassault Systemes	Brian Stevens	BT A&D Client Leader
Dassault Systemes	Ove Schuett	VP Transportation & Mobility, Industrial Equipment, North America
Dassault Systemes	Keith Marion	Sr. Client Executive
Dassault Systemes Govt. Solutions	Dan Callahan	Client Executive
Department of Energy, Advanced Manufacturing Office	Valri Lightner	Senior Technical Manager
Department of Energy, ERRE	Julie Anderson	Legal Counsel
DOE	Ravi Deo	Fellow
DOE	Rob Ivester	Deputy Director, AMO
DOE / AMO	Nebiat Solomon	Sr. Management Analyst
Dow Aksa /Dow		Commercial Director
Dow Automotive Systems	Allan James	Market Manager Composites
Dow Chemical	Dan Beattie	Business Director
DowAksa	Douglas Parks	CEO
DowAksa	D. J. DeLong	General Manager-North America
DowAksa	Ravi Ramanathan	VP Commercial (Automotive)
Duke Energy Indiana	Bill Petranoff	Senior Economic Development Manager
DuPont	Jan Sawgle	Program Manager Thermoplastic Composites
DuPont	Victoria Korbonits	Chemical Engineer
DuPont	Jacob Dickinson	Research Investigator
Eisenmann Corporation	Ken Defiel	Regional Sales Manager
Enviroplas	Keith Wyatt	COO
Enviroplas	Keith Dame	Research & Development Manager
Ershigs, Inc.	Steve Hettick	VP Operations
ESI	Hang Yu	Application Engineer
Evonik	Ranvir Soni	Application Development Engineer
Evonik	Lisa Mueller	Buisness Development Manager
Evonik Corp	Peter Colburn	Director, Engineered Products
e-Xstream engineering	Roger Assaker	CEO
e-Xstream engineering	Ron Rogers	Business Development Manager
Federal Land Management Mendocino California	Thomas Langenderfer	Officer Administrator
Fiat Chrysler Automobiles (FCA)	Khaled Shahwan	
Flow International Corporation	Mohamed Hashish	Sr. Technology Fellow

Ford Motor Company	Daniel Houston	Technical Specialist
GDI Construction Corp.	Michael Sheek	Director of Business Developmenet
Georgia-Pacific	William Frey	VP, Business Development & Disruptive Innovation
Globe Machine Manufacturing	Gary Lownsdale	Composites Consultant
GLWN	Patrick Fullenkamp	Director, Technical Services
Gunite Corporation	Greg Risch	President
Gurit	Scott Schuster	National Sales Manger
Hanwha Azdel	Jack Huang	R&D Manager
HAPCO INC.	Mike Szugye	Sales Manager
HAPCO INC.	Chuck George	CEO
HAPCO INC.	Mike Durina	Engineer
Harper International	Prasad Apte	Director of Technology
Hennecke Inc.	Dan Rozelman	Sr. Technical Sales Specialist
Highland Composites	David New	Vice President
Honda R&D Americas, Inc	Eric Boettcher	Principal Engineer - Body Design Research
Huntsman Corp	Malcolm Hannaby	Director Strategic Planning
Huntsman Polyurethanes	Michael Connolly	Program Manager - Urethane Composites
IACMI, The Composites Institute	Jill Hill	Office Manager
IACMI, The Composites Institute	Hannah Jay	Communications Specialist
IACMI, The Composites Institute	Drzal, Lawrence	Director of VTA
IACMI, The Composites Institute	Raymond Boeman	Associate Director of VTA
IACMI, The Composites Institute	Jarrold Blue	Contracts Coordinator
IACMI, The Composites Institute	Chelsea Ensey	Finance Director
IACMI, The Composites Institute	John Hopkins	Sr. Project Controls Manager
IACMI, The Composites Institute	Dale Brosius	Chief Commercialization Officer
IACMI, The Composites Institute	Joannie Harmon	Workforce Manager
IACMI, The Composites Institute	Bretton Bethel	Intern
IACMI, The Composites Institute	Kevin Schuett	Vehicles Intern
IACMI, The Composites Institute	Mary Daffron	IACMI Intern
IACMI, The Composites Institute	Nicholas Brady	Summer Intern
IACMI, The Composites Institute	Laraine Owens	Administrative Assistant
IACMI, The Composites Institute	Robin Pate	Communications and Workforce Director
IACMI, The Composites Institute	Rena Speck	Chief Operating Officer
IACMI, The Composites Institute	Erin Brophy	Operations Manager
IACMI, The Composites Institute	Hannah Maeser	Undergraduate Intern
IACMI, The Composites Institute	Craig Blue	Chief Executive Officer
IACMI, The Composites Institute	Zack R. Gardner	Assistant General Counsel
IACMI, The Composites Institute	Uday Vaidya	Chief Technology Officer
IACMI, The Composites Institute	James Plaunt	Consultant - Vehicles Technology Area
IACMI, The Composites Institute	Kelsey Wells	IACMI Intern Purdue
Indiana Economic Development Corp. (IEDC)	Justin Hage	Director, Strategic Planning
Indiana Economic Development Corp. (IEDC)	Mark Pishon	Director Investment Assurance
Indiana Economic Developmetn Corporation	Christopher Meulbroek	Intern

Indiana Manufacturing Institute	Georgia Hurchalla	IACMI Intern
Indiana Manufacturing Institute	Samuel Williams	IACMI Intern
Indiana Manufacturing Institute	William Henken	IACMI Intern
Industrial Market Insight (representative of ASC)	Marc Benevento	Managing Director
Indy Performance Composites	Stephen Foglio	CFO-COO
Indy Performance Composites	Jeff West	CEO-Owner
Indy Performance Composites	Marcus Brodie	Jr. Engineer
JEC GROUP	Nicolas Baudry	EVENTS DIRECTOR
JEC GROUP	Daniel Ageda	COO
Jeco Plastic Products	Craig Carson	CEO
Jeco Plastic Products	Kent Anderson	President, Jeco Plastic Products
JobsOhio	Glenn Richardson	Senior Managing Director
JobsOhio	Andrew Deye	Director of Strategy
Johns Manville	Jawed Asrar	Director of Science
L&J Omnico AGV	Jerry Vanneste	Owner
LeMond Composites	Alex Jacome	Business Development Specialist
Local Motors	Charles Hill	Advanced Materials Engineer
Local Motors, Inc.	Gregory Haye	General Manager
Lockheed Martin	Brian Said	Chief Technologist
Lockheed Martin / Aeronautics	Michael McNab	Sr. Mgr. - ADP Adv. Mfg. Sys
Lockheed Martin Aeronautics.	Steve Parsons	Lockheed Martin Technical Fellow
Luna Innovations	Edward Valigursky	Director Sensing Sales
Luna Innovations	Robert Gamber	Product Marketing Manager
Mafic	Jeffrey Thompson	Head of Marketing
Magnum Venus Products (MVP)	Ron Blackburn	Marketing Assistant
Magnum Venus Products (MVP)	Andrew Hedger	Product Line Manager Closed Molding
Magnum Venus Products (MVP)	Jeff Austad	Director of Sales
Magnum Venus Products (MVP)	Peter Hedger	Director of Marketing and Communications
Magnum Venus Products (MVP)	Pete Hedger	President
Magnum Venus Products (MVP)	Jane Hedger	Executive Assistant to the President
Magnum Venus Products (MVP)	Scott Baker	Adhesive product line manager
Mallinda LLC	Philip Taynton	CTO & Co-founder
Mar-Bal, Inc.	Marc Imbrogno	Director - Materials Engineering
Mar-Bal, Inc.	Ron Poff	Director, Global Marketing and Brands
Materials Innovation Technologies	Jim Stike	CEO
Meggitt Control Systems - Troy	John Riggle	Director of Engineering
Michelman, Inc.	Spencer Pugh	Global Director of Innovation
Michelman, Inc.	Steven Bassetti	Global Marketing Manager
Michelman, Inc.	Michael Annis	Vice President
Michigan Economic Development Corporation	Nadia Abunasser	Federal and Development Projects Director
Michigan State University	Alfred Loos	Professor
Michigan State University	Michael Rich	Senior Research Specialist
Michigan State University	Mahmoodul haq	Assistant Professor

Michigan State University	Christopher Hershey	Graduate Research Assistant
Michigan State University	Hugh MacDowell	Graduate Student/Researcher
Mississippi Polymer Institute, The University of Southern Mississippi	Robert Thompson	Interim Director
Mississippi State University	Ratneshwar Jha	Professor
Mitsui Chemicals America, Inc.	David Deeds	Composites Program Manager
Mitsui Chemicals America, Inc.	Tamotsu Harada	Technical Director
Michigan State University	Martin Hawley	Director CVRC
National Center for Manufacturing Sciences	Pam Hurt	Director, Communications & Membership
National Institute of Standards and Technology	Chelsea Davis	Materials Research Engineer
National Renewable Energy Laboratory	Sam Rooney	Wind Power Project Coordinator
National Renewable Energy Laboratory	Sawyer Buck	Intern
National Renewable Energy Laboratory	Derek Berry	Director, Wind Turbines Technology Area
NIST Manufacturing Extension Partnership	Mary Ann Pacelli	Program Manager, Workforce Development
NIST Manufacturing Extension Partnership	Beth Colbert	Regional Manager
Oak Ridge National Laboratory	Bob Norris	Senior R&D Associate
Oak Ridge National Laboratory	April Denning	Administrative Assistant
Oak Ridge National Laboratory	Soydan Ozcan	GrpMbr, Carbon and Composites
Oak Ridge National Laboratory	Cliff Eberle	Director, Materials and Process Technology Area
Office of Energy Efficiency and Renewable Energy (EERE)	Mark Johnson	Director - Advanced Manufacturing Office
Oscar Winski Company	Clement Strimel	Chief Operating Officer
PARC, A Xerox Company	David Johnson	Area Manager
Pellissippi State Community College	Teri Brahams	Executive Director, Economic and Workforce Development
Perry County Development Corporation	Alvin Evans	President & CEO
Plasmatreat USA, Inc.	Andy Stecher	CEO
Plastics Unlimited, Inc.	Terry Kieffer	President
PolymerOhio	Gary Walzer	VP Manufacturing Services
Polynt Composites USA Inc.	Rick Pauer	Applications Manager
Polynt Composites USA Inc.	Sergio Conni	GM & SVP
PPG Fiber Glass	Brian Okerberg	Research Associate
PPG Fiber Glass	Ryan Emerson	Group Leader
PPG Fiber Glass	Sandeep Vennam	Sr. R&D Engineer
PPG Industries, Inc.	Brian Kornish	Program Manager
Praxair Surface Technologies	Thomas Lewis	Vice President Technology
Psylotech, Inc.	Charles Spellman	Product Manager, Load Frames
Psylotech, Inc.	Daniel Broderick	Customer Relationship Manager
Psylotech, Inc.	Alex Arzoumanidis	Director
Purdue Research Foundation	Rita Baines	Senior Director of Development
Purdue Research Foundation	Eric Woods	Senior Director of Corporate Relations
Purdue University	R. Byron Pipes	Professor
Purdue University	Ronald Steuterman	Managing Director
Purdue university	Priyanka Karkhanis	Engineering intern
Purdue University	Hamsasew Sertse	Reseach Assitant
Purdue University	Nathan Sharp	Validation Engineer

Purdue University	Bo Peng	Research assistant
Purdue University	Michael Bogdanor	Senior Software Application Engineer
Purdue University	Michael Knauf	Major, USAF
Purdue University	Yufei Long	Research assistant
Purdue University	Rebecca Cutting	Software Validation Engineer
Purdue University	Eduardo Barocio	Graduate Research Assistant
Purdue University	Bastian Brenken	Graduate Research Assistant
Purdue University, Composites Manufacturing & Simulation Center	Rodney Cowden	Intern Mentor
Purdue University, Composites Manufacturing & Simulation Center	Eric Smoldt	Director, Visual Communiation
Reichhold	Randy Jones	Business Development Manager
RMX Technologies	Truman Bonds	Vice President for Research and Development
SABIC	Warden Schijve	Chief Scientist
SABIC	Poovanna TK	Sr. Manager
SABIC	Scott Fisher	Technology Director
SAERTEX	Keith Sharp	Product Manager - 3D Fabrics
SAERTEX USA	Katharina Davies	R&D Coordinator
SAMPE	Gregg Balko	CEO
Solvay Composite Materials	Glade Gunther	Program Manager Automotive
Starr Companies	James Lechleitner	Global Management Consultant
State of Indiana/IEDC	Ian Steff	Senior Advisor for Science, Technology and Advanced Manufacturing
Steelcase Inc.	Christopher Norman	Principal Product Engineer
Stratton Composite Solutions	Bob Stratton	owner
Sumitomo Chemical Advanced Technologies	Walter Maruszczak	Composites Business Development Manager
TechmerES	Tom Drye	Managing Director
The University of Tennessee	Taylor Eighmy	Vice Chancellor for Research & Engagement
Toray Carbon Fibers America	Chet Moon	Technical Center Director
Toyota Motor Manufacturing North America	Scott Kubish	Manager
Tru-design	Rick Spears	CEO
U. of Arkansas	Ryan Tian	Assoc. Prof.
U.S. Department of Energy	Megan McCluer	Senior Advisor, Wind Program
U.S. Department of Energy - Fuel Cell Technologies Office	John Gangloff	Science and Technology Policy Fellow (ORISE)
U.S. Dept of Energy	John Winkel	Project Officer
UAMMI	Brent Strong	Professor (Emeritus)
UMass Lowell	James Sherwood	Associate Dean
Universal Fibers	Sierra Encarnacion	Innovation Project Engineer
University of Alabama at Birmingham/ORNL	Vikas Patel	Graduate Student/Intern
University of Dayton Research Institute	Jared Stonecash	Sr. Research Engineer
University of Dayton Research Institute	Brian Rice	Director, Compressed Gas Storage Technology Area
University of Illinois at Urbana-Champaign	William Dick	Assistant Dean for Research
University of Kentucky, Center for Applied Energy Research	Matthew Weisenberger	Associate Director
University of Tennessee	Jimmy Bray	Research Student
University of Tennessee	Shailesh Alwekar	PhD cadidate
University of Tennessee	James Brackett	Undergraduate Research Assistant

University of Tennessee	David McConnell	Research Assistant
University of Tennessee Center for Industrial Services	Misty DePriest	
University of Tennessee, Knoxville	Dayakar Penumadu	Professor
University of Tennessee, Knoxville	Hicham Ghossein	Term-Consultant
University of Utah	Robert (Mike) Kirby	Professor
US Air Force, Air Force Research Laboratory/RXMS	Karla Strong	Sr. Materials Engineer
US Department of Energy	Kelly Visconti	
US Department of Energy/Advanced Manufacturing Office	Steve Nunez	Senior Technical Advisor
UTK	Gajanan Bhat	Professor
Valmet Inc	Gene Christiansen	Director Business Development - BioTech
Vanderbilt University	Douglas Adams	Professor and Chair, Civil and Environmental Engineering
Vanderbilt University	David Koester	LASIR Research Scientist
Vanderbilt University	Brayden Aller	Intern
Vartega Carbon Fiber Recycling	Mark Williams	VP Business Development
Vartega Carbon Fiber Recycling LLC	Andrew Maxey	President
Vartega Carbon Fiber Recycling LLC	Jacob Riedel	Student
Vartega Carbon Fiber Recycling LLC	Jack Reinke	Student
Vidal Plastics, LLC	Alfonso Vidal	President
Vision Wheel	John Mathew	COO
Vision Wheel	Alan Dudley	Engineering Manager
Volkswagen Group of America	Michael Rademacher	Materials Research Engineer
Wright Industries Inc, a Doerfer Company	Dale Leftwich	Account Manager
	Steve Hassett	
	Maureen Hassett	
	John Gaither	
	Mustafa Yilmaz	
	Adele Ratcliff	
	Ben Wrightsman	
	Tom Lewis
